

# Our Interim Executives

International Interim Management

Executives

International Interim Management provides senior interim executives across all functions and disciplines who are capable of demonstrating:

- Considerable experience working for blue-chip organisations in either the private or public sector
- Extensive line management experience at senior executive level
- A track record in managing major change both in the UK and internationally
- A career history that gives them personal credibility as a world class interim executive
- A remuneration or fees history that puts them in the upper quartile of their peers
- First class leadership and interpersonal skills
